Message from the Chairman

We are pleased to announce that the 69th Annual Show will once again take place in St Nicholas Park. This year celebrates the 80th Birthday of St Nicholas Park and the show will be at the heart of the celebrations during the August Bank Holiday, Sunday 25th and Monday 26th August.

We wish to thank everybody who has made the Show and the Society's continuation possible and this includes our members, local businesses, The Henry VIII Trust, Warwick Town Council, Hinton's Nursery and Warwick District Council.

The Society holds meetings in the Methodist Hall Barrack Street, Warwick on certain Tuesday's commencing at 7.30pm. see web site www.whasociety.org for details.

We try to arrange for a range of activities and speakers. We operate a trading hut at the Percy allotments that opens on Wednesdays during the summer 6-8pm and Sundays all year 10am-12pm. A wide range of products can be purchased and when in season a range of seed potatoes, broad bean seeds and onion and shallot sets are available.

We would be pleased to see you at our meetings.

The Society welcomes new members

TOP VASE (Class 25)

- 1) The Top Vase class is for the vase of mixed flowers containing a total of between 5 and 10 stems, taken from a minimum of two different kinds of plants. It is two different types of plants: two varieties of the same plant are NOT two kinds.
- 2) The display will be judged out of a total of 35 points, split into 25 points for colour, form, condition, quality and freshness of flowers on display and 10 points for overall presentation and effect of the flowers in the vase. The vase will be viewed from all directions.
- 3) Stems used in the display must be showing flowers only. No seed heads or berries allowed...
- 4) The vase can be any shape or size, made from any material, but must be in proportion to the display. No marks are awarded for the vase itself.
- 5) No accessories are allowed, such as bows and additional foliage. Foliage which is growing naturally from the flowering stem and still attached to that stem is allowed. Packing material, including florists foam to keep stems in place is allowed.

NOTE FOR EXIBITORS AND JUDGES

Flowering stems can be taken from ANY flowering plant. The different kinds of plants need to be taken from different genera. For example, pinks, carnations and sweet Williams, which are all dianthus, would not be classed as different kinds. Use only fresh, home grown flowers. No dried or silk flowers allowed. A vase by definition is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.

The TOP Vase is open to anyone to enter and is not intended purely for growers who regularly display single species classes at shows.

Judges should use their discretion when judging the Top Vase, bearing in mind that the entries may come from inexperienced exhibitors.

Judges should note the display has to be viewed from all around. The points awarded should be clearly marked by the judges on the exhibitor's cards. Any queries that may arise regarding anything other than the above rules should be referred to and decided by show officials
